SynterAct™ BIMBI

NAME	Ofmom SynterAct BIMBI 30 stick
INFORMATION	Ofmom SynterAct BIMBI is a food supplement based on live lactic cultures that favors the regular rebalancing of the gut flora and the proper functioning of the intestine
COMPOSITION	Bifidobacterium breve M-16V Bifidobacterium lactis HNO19 Lactobacillus rhamnosus HNO01
DOSAGE FORM	Stick of 1,5 g
PACKAGE AND WEIGHT	One pack contains 30 sticks - net weight of 45 g
DOSAGE	1 stick a day to be taken preferably with a meal
HOW TO USE	Dissolve the powder of one stick in water or other liquid (ex. Juice or milk) cold or warm. Consume immediately after preparation.
HOW TO STORAGE	The product contains heat-sensitive live lactic cultures with probiotic action. It is therefore recommended to avoid the exposure to sources of heat or sudden changes in temperature, to store it away from light and preferably at a temperature below 25°. The retention period refers to the product correctly stored, in an intact package.
WARNINGS	Do not exceed the recommended doses for daily intake. For the use of the product it is recommended to consult the doctor's opinion. Food supplements should not be intended as a substitute for a varied and balanced diet and a healthy lifestyle. Keep out of reach of children under 3 years of age.
